

OUR SOLUTIONS ARE BETTER

# A-10 Warthog

**Kennon Premium A-10 Covers** are made to protect your aircraft from FOD while standing up to your harsh flight line environment and constant UV exposure. Kennon's covers look great now and for years to come.

Kennon uses advanced composite textiles and precision stitching, that will keep water and dust out. Kennon is ISO 9001-2015 certified, assuring quality that won't disappoint your team.

Items are available in various colors. We will also print in HD, your unit's graphics on most military items, at no additional charge.

Purchase directly from us using your unit's credit card, or you can contract with us for larger purchases. Kennon premium covers are also available through our GSA schedule.

Kennon's customer service never stops!
